

WA holiday camps

INDICATIVE CALENDAR

This calendar should be used for provisional planning purposes only. It is provided to give you an idea of what our events usually look like, and when they occur.

Registrations:

Registrations usually open 8-9 weeks prior to the event (in Spring, Autumn and Winter) and are advised via our Holiday Camps Mailing List.

Our Summer Holiday Camps are incredibly popular and often sell-out very quickly - sometimes this can happen just minutes after opening. These camps open in September each year, and are advised via our Mailing List.

Grade Range:

Please note, the grade range provided relates to the Camper's current grade. For example, if the Camper has completed Year 4 in 2025, they will be classified as a Year 4 for our Summer Camps in Dec 2025/Jan 2026).

Sign-up to our Holiday Camps Mailing List:

If you would like to sign-up to this list, you can do so by [clicking here](#). Please complete your contact details, and select WA as your Local District.

Please note, all dates and events are subject to change and are therefore not confirmed. Please see the 'WA Camps & Events' section for confirmed events.
